

## Your **premium-transfer** at a fixed price

That's what travel agents say about the Sixt mydriver service:

“

„An excellent service which is not comparable with a taxi ride – for me personally an extraordinary experience! And all this for a low price!“

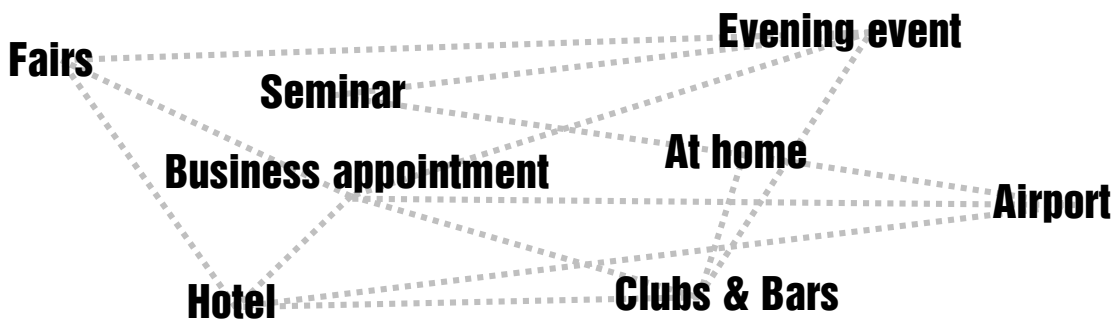

Kevin Kirchheim - BCD Travel Germany GmbH

„The pick-up was on time, the vehicle was clean, the driver in a good mood and the price was fixed upfront. Therefore the „good mood holiday“ already started relaxed with the ride to the airport.“

Axel Guoth - Cannstatter Reisebüro KG
